## MESSAGE TO PARENTS & STUDENTS FROM THE ADMINISTRATION

Dear Families,

Welcome to Catherine McGee Middle School. At McGee, we strive to stretch *all* children to reach their full potential in the classroom and as members of the Berlin community. Our efforts to provide an atmosphere that both challenge and support all those who enter through our doors are most successful when parents, students and educators work together toward the mutual goal of developing individuals who are ready to take on the challenges of life in the 21<sup>st</sup> century.

This handbook has been published for parents and students to have a greater understanding regarding the daily operations of our school. The information provided will hopefully assist you and your child in referencing the various routines, expectations, programs and opportunities that are offered at McGee. If at any time, you or your child has a question or needs clarification, we encourage you to contact the school.

The mission of Catherine McGee Middle School is to encourage children to grow and learn in an atmosphere of responsibility and respect. In order to accomplish this mission, we are committed to helping students become productive citizens in a diverse society and technologically changing world. McGee's active faculty and staff aim to provide a safe, caring, and challenging school environment.

We look forward to your partnership in the mission to foster competence, confidence, caring learners and individuals.

Salvatore Urso, Principal

## **CATHERINE M. MCGEE**

Our school is named in honor of Catherine M. McGee, a teacher and principal in the Berlin Public Schools for 44 years. Miss McGee grew up in Kensington, attended local schools and began her teaching career in 1922. She was an elementary teacher at Worthington School until she was appointed principal of the Kensington Grammar School. She held that position until her retirement in 1966.

In 1969 our school was officially named the Catherine M. McGee Middle School in honor of her many contributions to the education of the children in Berlin. She was an outstanding teacher and a wonderful person. All of us should strive to dedicate ourselves to the things she stood for - concern for others, honesty, hard work and a never-ending commitment to excellence.

## **PHILOSOPHY AND GOALS**

### **McGee Middle School Mission Statement**

Catherine M. McGee Middle School encourages children to grow and learn in an atmosphere of responsibility and respect. To accomplish this mission, we believe our commitment as a rigorous academic community includes:

- Helping children to become educated, productive citizens in a diverse society and technologically-changing world.
- Providing a safe, caring, and challenging, school environment that helps children develop a commitment to lifelong learning.
- Creating an environment that fosters intellectual, social, emotional, and physical growth for all students and recognizes their unique developmental needs.

## **HUMAN RIGHTS**

**At McGee Middle School these rights apply to all persons - students and staff - and to the entire school day, including travel to and from school.**

- The right to develop one's own personality (so long as it does not interfere with the rights of others) without disrespectful criticism or pressure from cliques.
- Freedom from physical abuse and mental abuse such as name calling, intimidation, or harassment.
- Freedom from being set apart or mocked because of race, sex, religion, physical strength, size, features, friendship groups, age, culture, handicap, financial status, clothing, classroom performance, or any other reason.
- The right of privacy and freedom from being harassed in the classroom; the right to be treated respectfully. The right to an education, which means that teachers are free to teach and students are free to learn without being interrupted by inconsiderate or unruly students.
- The right to have personal and school property respected. Our school community is a safe place for property as well as people.

## **ACADEMIC INFORMATION**

### **PROGRESS REPORTING**

Report cards are issued three times a year and students will earn marks in academic achievement and behavior. The marks used to report achievement are A, B, C, D, and F. Tentative release dates are noted on the district calendar.

Student achievement and attendance records can be accessed 24 hours a day using the parent portal system through the link on the McGee website. Each parent will receive information regarding access at the beginning of the school year. Please contact the front office should you need assistance.

## PARENT PORTAL

Parents/Guardians and students can access teacher grade books as a progress-monitoring tool through PowerSchool. Parents are required to create their own username and password so they can access student information. For more information on how to create and access the parent portal please contact the front office staff.

## GRADING SYSTEM

The following numerical values will be used to assign letter grades:

97-100 .....	A+
93-96 .....	A
90-92 .....	A-
87-89 .....	B+
83-86 .....	B
80-82 .....	B-

## GRADING TURNAROUND GUIDELINES

To get the most out of our PowerSchool Portal, the following guidelines will be utilized for all grades and courses:

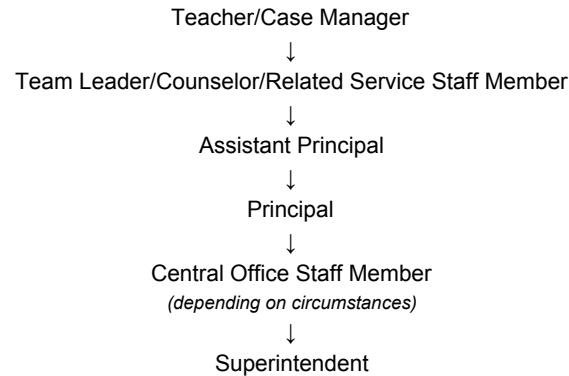

- All assignments will be posted either as a course announcement or as an un-scored entry on the day the assignment is given.
- Grades for class work, homework, and quizzes will be entered within one week from the date assignment was due and collected.
- Grades for lab reports, essay assignments, exams, and tests will be entered within two weeks from the date assignment was due and collected.
- Grades for long-term assignments and research papers will be entered within three weeks from the date assignment was due and collected.
- Please note that assignments that are handed in past the due date may require an additional seven calendar days to appear on the Portal beyond the guidelines stated above.

## INCOMPLETE GRADES

Students who do not complete all work by the close of the marking period may be given an incomplete. All work must be completed in 10 days from the issue date of the report card. Failure to do so will result in a failing grade (F) for any assignments not completed and turned in within the ten days.

## CHAIN OF COMMAND

When you have a question about your child's classes, work habits, or assignments, it is best to first contact the person who is closest to the situation. In most cases, this is the teacher. For that reason, we have adopted a McGee Chain of Command parents must follow in order to get their questions or concerns resolved quickly. The chain of command for McGee is as follows:

## ELIGIBILITY RULE

McGee's eligibility policy aims to hold all students to a consistent standard for academics in order for them to participate in extracurricular activities including but not limited to athletics, clubs, and school musicals or plays. In order to be eligible all students must maintain an overall average of 70%. Students must have no more than one "F" in a core academic class (i.e., Math, Science, Social Studies, ELA, World Language).

Teams, in coordination with administration, exploratory teachers, and school counselors will maintain the right to implement contracts for behavioral or attendance issues as well. Failure to comply with the terms of these contracts could mean suspension from the activities involved. These same staff members may make exceptions to the above policy when circumstances warrant such a decision. Finally, administration and coaches, advisors, or directors have the right to suspend a child from pertinent activities due to behavioral infractions, safety concerns, or violations of their own rules.

## HOMEWORK/CLASSWORK

Independent practice, research, and opportunities for application are a necessary part of every student's educational program. The following guidelines have been established and adhere to the Board of Education policy. The time ranges for nightly assignments are as follows:

Grade 6	up to 60 minutes
Grade 7	up to 70 minutes
Grade 8	up to 80 minutes

Homework will not be weighted more than 15% of the student's grade (up to teacher's discretion).

## Expectations:

**Daily Assignments** - Students are expected to complete and turn in all assigned work on time. Assignments may be checked and recorded.

**Absences and Homework** - Upon returning to school a student must turn in any homework that was due on the day of his/her absence. Students will be allowed two (2) days to make up homework for each day of absence. Penalties will not be given for absences from school.

When a child is absent due to illness, parents / guardians should visit the PowerSchool Parent Portal for assignments. If a child is absent for an extended period of time (2 or more days), parents may call to request homework. **Homework requests must be made before 9:00 a.m.** Office personnel will notify the appropriate team leader of the parent request. The team leader will coordinate the materials/assignments and ensure that they are available in the main office for parent pick-up between 2:30-3:30 p.m. Students are encouraged to select a “study buddy” in their team classes and should call their “study buddy” for questions regarding homework assignments. **Homework requests for non-school vacation time will not be accommodated.** Work should be completed when a student returns to school.

**Long-Term Assignments** - Students are expected to complete and turn in all assigned long-term assignments to their teachers on the established due date. Student work that is turned in after the established due date will receive a late penalty. For example, a student who turns in a project five days late can be penalized up to 50% of the total grade. When a student is absent on the day a long-term project is due, he/she must turn in his/her completed long-term assignment work on the day of his / her return.

## DROPPING A COURSE

The following guidelines will be used if a student would like to drop/switch Band/chorus or French/Spanish:

1. Prior to the start of the school year and into the first two weeks of class a student needs parent permission to switch Band/Chorus or French/Spanish.
2. After the first two weeks of the school year a student must stay in their current course until the end of Trimester 1. Parent permission still required.
3. After the start of Trimester 2, students are not permitted to drop/switch their Band/Chorus or French/Spanish selection.

## RETENTION

Retention is an extreme measure. A child being considered for retention must be referred to the Child Study Team and support programs and strategies must be implemented and evaluated for effectiveness. The Child Study Team is typically made up of members from the support staff, classroom teachers and administrators who meet for the purpose of evaluating student performance and making recommendations for interventions and strategies that would benefit the child. For more information regarding retention please see Board of Ed Policy 6147.1

## STUDENT CONDUCT AND DISCIPLINE

### STUDENT RIGHTS AND RESPONSIBILITIES (BOE POLICY)

The School Board has the responsibility to afford students the rights that are theirs by virtue of guarantees offered under the federal and state constitutions and statutes. The Board also believes that every right carries with it certain responsibilities. Among these rights and responsibilities are the following:

- Civil rights—including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
- The right to attend free public schools; the responsibility to attend school regularly and to observe school rules essential for permitting others to learn at school.
- The right to due process of law with respect to suspension, expulsion, and decisions which the student believes injure his rights.
- The right to free inquiry and expression; the responsibility to observe reasonable rules regarding these rights.
- The right to know the standards of behavior that is expected of students and the consequences of misbehavior.

## GUIDELINES FOR MAKING GOOD DECISIONS

- Identify the decision to be made.
- Think about the options. Throw out any options that could lead to trouble. If you're not sure, ask yourself:
  - Is it against the law or school rules?
  - Is it against moral rules?
  - Is it harmful and/or unsafe to me or to others?
  - Would it disappoint my family or other important adults?
  - Is it wrong to do?
  - Would I be sorry afterward?
  - Would I be hurt or upset if someone did this to me?
- Predict the consequences of each positive option.
- Choose the best course of action.
- Do what you decided.
- Rethink your decision. How did things turn out? Should you decide differently next time?

## GENERAL EXPECTATIONS

Students should be prepared for class by:

- Being in their seat on time.
- Having the necessary materials for class – books, pencils, sneakers, instruments, Chromebooks, agendas, etc.
- Having assigned homework completed.
- Waiting to be recognized by raising hands.
- Using classroom materials/supplies in the way they were designed.
- Being ready, quiet, and prepared to listen for specific instructions from the teacher.

## STUDENT CONSEQUENCES

McGee Middle School utilizes a progressive approach to discipline. The level of intervention is implemented in response to the identified behavior. A staff member will contact a parent regarding the issue of concern.

### Teacher / Team Detentions:

Staff members may issue teacher or team detentions for infractions of school or classroom rules. Teacher/team detentions are generally from 2:20 – 3:00, unless otherwise communicated. Students may take the late bus home at 3:10.

### Office Referral:

Staff members may complete an Office Referral for behaviors that are more serious in nature. A record of all office referrals will be kept on file. Parents will also receive a copy of this referral in the mail. Consequences determined by administration for an Office Referral may include the following: Lunch Detention; one, two or three hour Office Detention; community service, social probation, In-School Suspension (ISS), and Out-of School Suspension (OSS).

### Lunch Detention:

Supervised, lunch in an area designated by administration.

### Office Detention:

Infractions of school or classroom rules assigned by administration.

## **Removal from Class:**

Each teacher shall have the authority to remove a student from class when the student causes a serious disruption to the educational process within the classroom. An administrator or designee will escort students removed from class. Further disciplinary action may be taken.

## **Social Probation:**

The social probation program is designed to help students focus on their academic/behavioral responsibilities. A student placed on Social Probation will not be able to attend/participate in any before and after school activities, with the exception of supervised detention. Students must report to the Office immediately upon arrival on campus and must leave campus within ten minutes after the school day ends and may not return to school grounds for any reason. Student progress will be reviewed every two weeks to determine status of eligibility.

## **In-School Suspension (ISS):**

Students will earn ISS for various infractions of school rules. The purpose of ISS is to provide a highly structured educational environment for those students who have violated the rules of McGee Middle School. School staff may have conferences with these students during internal suspension. Students may not attend any activity/event if they were suspended from school on the day of the activity or event.

## **Out-of-School Suspension (OSS):**

Out-of-School suspensions will be used in the case of more serious rule violations. Students may not attend any activity/event if they were suspended from school on the day of the activity or event.

## **HANDS-OFF POLICY:**

Students must refrain from all physical contact that is potentially unsafe or distracting to the educational process. Unacceptable behavior includes "horsing around", "**just fooling around**", poking, pushing, tripping, and/or jostling one another. At McGee Middle School the policy is **HANDS OFF**. Students must also refrain from overt acts of affection. Violations will result in teacher / team and / or administrative consequence.

## **VANDALISM:**

Vandalism by students involving damage to school property will result in disciplinary action. The school or town will complete the repairs to school property as a result of vandalism and the parents or legal guardian of the student(s) responsible must pay the cost of the repairs.

## **DRESS CODE:**

How a person dresses affects the individual attitude of the student and overall atmosphere of the school. In order to encourage positive attitudes towards learning and a school atmosphere conducive to education, McGee Middle School expects its students to meet minimal standards of cleanliness, safety, and modesty in dress while at the same time maintaining opportunities for individuality. A proper balance is sought for the good of the individual and the school. Students who do not follow the Dress Code will be required to notify a parent to bring a change of clothes to school. If a parent is unable to deliver clothing, the school will provide an alternative garment. Repeat offenders will be treated as insubordinate and earn consequences. In any instance in which there appears to be a question, the administration reserves the right to make the final judgment.

### **Dress Code General Expectations:**

- **Cleanliness:** Personal hygiene and clothing concerns will be referred to the school nurse and home.
- **Safety:** All clothing, including footwear (footwear must be worn), must be non-hazardous and safe in normal circumstances (e.g. going up and down stairs as well as in specialized situations, laboratories, and technical education classes).
- **Modesty:** In order to protect the rights of all students and have an atmosphere conducive to learning, students are asked to dress in a modest manner, avoiding distraction to learning and not encouraging illegal activities. No skin should be exposed from neckline to 6" above the kneecap. Students wearing excessively loose or tight clothing may be asked to change their clothes. Any holes in clothing above the knee may not expose skin.
- **Respectful Citizenship:** Some items of clothing are deemed disrespectful or offensive to others, and may inhibit communication. In order to have an atmosphere of respect, certain clothing and accessories will not be permitted.

## **GENERAL INFORMATION**

### **ACTIVITIES / CLUBS / ENRICHMENT / INTRAMURALS**

Students are invited to join and to become active participants in a variety of activities. A complete list will be posted on McGee's web site. Privileges to participate in clubs / enrichment activities are subject to the Eligibility Policy and may be revoked due to grades, disciplinary referrals, suspensions, or behavioral issues of concern. The team, school counselors and / or the administration will be responsible for making this decision. Students may not attend an activity/club/enrichment/intramural if they are on social probation or were absent, dismissed due to illness, or suspended from school on that day.

### **AFTER SCHOOL ACTIVITIES**

Unless specific arrangements are made with a staff member, students are not to remain on school grounds after regular dismissal time. Students must have a legitimate reason to remain in the building after school. In all cases, students must have a note from a parent stating that permission is granted to stay after school. The event supervisor will collect notes. Students may not attend any activity if they were absent, dismissed due to illness, or suspended from school on the day of the activity.

### **ATHLETICS**

Students in grades 6, 7, and 8 are eligible to participate in the following interscholastic sports

- Baseball
- Basketball
- Cross Country
- Soccer
- Softball
- Track
- Wrestling
- Unified Sports

### **Eligibility Standards for Interscholastic Athletics and Unified Sports:**

In addition to the eligibility policy stated on page 5, the following are requirements for participation in interscholastic athletics and unified sports:

- All students participating must have a yearly physical examination on file. This yearly examination must be recorded on the yellow form, which is available at the school. This form must be on file with the school nurse when completed by the child's physician.
- All students must meet the requirements of good conduct throughout the school.
- The following academic requirement must be met by all students:
  - Students need to be in good academic standing with at least a 70% average
  - Students may not be failing more than one core course
- The principal or coach may remove a student from participation at any time for just cause.
- Parent permission slip and the Interscholastic Insurance form must be signed and returned to the school.

Each student athlete must maintain the above requirements throughout the season.

### **Attending sports activities after school as a spectator:**

To attend an after-school athletic activity, a student must:

- Have a signed note from a parent or guardian designating the activity, and date.
- Submit the note to the event supervisor.
- Any student attending an after school activity without a note will be requested to leave the activity. A parent or guardian will be contacted to pick up his/her son or daughter.

Students may not attend an activity/event if they are on social probation, or were absent, dismissed due to illness, or suspended from school on the day of the activity or event.

## **ATTENDANCE**

Administration encourages parents to have their children in school as many days as possible to facilitate their social, emotional, and academic growth. When students are absent they miss instruction and classroom activities that would enhance comprehension of lessons and successful completion of assignments. Therefore, students are encouraged to stay after school following an absence to receive missed instruction. **Parents must provide a note to verify every absence.**

### **Excused Absences:**

- Absences shall be classified as excused for the following reasons:
- Reasons of health, including illness, incapacity or doctor's visits
- Religious holidays
- Funeral or death in the family
- Court appearance
- Approved school activities including field trips

When a student is absent from school, the parent or guardian must call the school before 9:00 a.m. We will call home when a student is absent and a parent did not call in to inform us. If we cannot contact a parent to verify an absence, emergency contacts will be called.

A student must be in attendance for half of the school day to be considered present. Early dismissals or late arrivals that do not fulfill this requirement will be considered absent and require appropriate documentation to be excused.

### **Unexcused Absences:**

Unexcused Absences are defined in Board of Education Policy section 5113-R. Unexcused Absences create serious problems including poor student performance and a lower quality educational experience for the child who is absent. If a student has excessive absences, the administration will contact the parents. A meeting will be scheduled to discuss the absences and the impact they have on academic performance.

### **Provisions of Makeup Work - All Absences:**

- No work given prior to the absence.
- Students have two (2) days available for every one-day absent to make up work.
- All work can be made up with full credit.

### **Tardy to class:**

Students are tardy to school if they are not in their Homeroom by 7:35 a.m. Students who are tardy to school are to report to the office to receive an "admittance-to-class" pass. Students tardy to school must have a note from home stating the reason for tardiness. (Notes must be received when reporting to the office, or at the latest, on the next school day of attendance). All tardies are considered unexcused.

Following the third tardy the student's school counselor will contact the parents to inform them that further action will be taken should additional tardies occur. Students who have four tardies in one trimester may be given a two-hour detention and an administrator will call home. Upon the fifth tardy a student will receive two days of two-hour detentions. Should a student be tardy to school six times; additional consequences will be imposed. Each student starts with a clean slate each trimester.

Students are considered tardy to class within the school day if they are not in the correct room at the start of the period. Students who are tardy to an individual class four times in a trimester may be given a two-hour detention.

### **Truancy:**

- Truancy is defined by statute as absence(s) from school without the knowledge or approval of parents and/or school officials.
- A student who has four unexcused absences in any one month or ten unexcused absences in any one school year is considered truant.
- If a student is classified as truant, the administration will contact the parents. A meeting will be scheduled to discuss the absences and the impact they have on academic performance.
- School staff are mandated by the state to report excessive absences or patterns of concern. Excessive absences and patterns of concern are defined in Connecticut General Statute 10-198a.

## **BACKPACKS AND BOOK BAGS**

Many students find it useful to carry book bags, duffel bags or knapsacks. **Students are allowed to carry book bags, knapsacks and backpacks TO AND FROM SCHOOL ONLY.** This rule will assure the safety and comfort of both students and adults. Please Note: Since each student has an assigned locker space, students do not need to carry all of their books and notebooks during the entire school day. The faculty and administration at McGee believe that organization of personal belongings is an important lesson for middle school students.

## **BEGINNING OF SCHOOL DAY**

### **What to do when arriving at school:**

McGee Middle School opens at 7:20 a.m. Arriving bus students and "walkers" are to wait outside in front of the building. Students are not to wait in a foyer or enter the building. Students are to use either of the two supervised entrances in the front of the building.

When students enter the building in the morning, the following procedure is required:

- Report **directly** to locker and then **directly** from locker to Homeroom
- Students must have a pass signed by their Homeroom teacher to visit another teacher, room, or area of the building before 7:35 a.m.
- Remain in class until the actual start of the school day - 7:35 a.m.
- If you are eating breakfast at McGee, check in with your homeroom teacher and get a pass signed for the cafeteria.

## **BUS TRANSPORTATION**

To ensure the school transportation system operates smoothly and safely, the Berlin Board of Education insists that the following regulations be adhered to by all students who ride to or from school on buses:

Students will:

- Remain in the same seat throughout the entire bus ride
- Use school appropriate and respectful language
- Treat others with kindness and respect
- Follow all school rules while at the bus stop and while riding the bus
- No eating or drinking is allowed on a school bus

- Respect the property of the school bus
- Take their assigned bus to and from school at all times

Administration works with the New Britain Transportation Company to provide safe transportation to every rider. The driver is responsible for safely transporting students to and from school. **His / her full attention must be on driving.** Students who display conduct detrimental to the safety and welfare of others while riding on the bus will be returned to the school administration and receive consequences, which may include the loss of the privilege to ride on the school bus. If this occurs, parents will be responsible for student transportation. Any student responsible for such malicious behavior will be reported to the school administration. Such student may be denied the privilege to ride the school bus and will have to pay for any damages.

School bus transportation is provided to all students who live beyond a reasonable walking distance of the school in their district. Generally, an elementary student who lives more than one mile from the school or bus route will be provided with service. Bus service will be provided for middle school students living more than one and one-half miles and high school students living more than two miles from the school or bus route will be provided bus service.

Bus stops will be established at convenient, safe places along the roadways. The Board of Education and bus company establish the stops. They cannot be set by parental or student request. Students are expected to walk to these stops. It is also necessary for the students to walk to their respective schools if they are within the reasonable distances set above.

### **Transportation Regulations**

1. Transportation will be provided to and from school on an established bus route for all students except those within the walking area of each school.
2. Any request for a change in the normal bus route or walking area must be made in writing to the Superintendent's office at least two weeks in advance of any possible change being approved or taking place. Such changes must be permanent in nature, including childcare needs.
3. Any parental requests not handled to the parents' satisfaction may be referred in writing to the Board's Transportation & Safety Council. Cases referred should involve **major safety issues** only.
4. Emergency changes may be requested by phone and followed up in writing. Any emergency will require verification and will only be considered if requested for less than one week. These will be made at the school administration's level.
5. All changes requested for child care must be submitted through the Superintendent's Office for their approval.
6. All school rules apply to the bus and the bus stop. Students that are in violation of school policies and acceptable standards of behavior will receive disciplinary consequences through administration. Violation of school rules and/or behavior that could create an unsafe environment will not be accepted. Students are expected to maintain safe and respectable behavior to others and property. Disciplinary consequences may include bus suspension.
7. **Students may not ride another bus to visit with friends or to work on projects after school.** Seating capacity is limited.

### **Bus Transportation For After School (Late Bus):**

Late buses will be provided on the second and fourth Monday of the month and every Tuesday, Wednesday, and Thursday for students who are remaining after school. Late buses will leave school at approximately 3:10 p.m. Students are to obtain bus passes from the teacher with whom the student is staying.

### **Walking and Biking To and From School:**

1. To promote the welfare of children and youth in home, school and community.
2. To secure laws for the care and protection of children and youth.
3. To bring the home and the school into closer relationship so that parents and teachers may cooperate in the education of the child.

If you have questions, comments, suggestions, or anything else you would like to share or discuss, please see the school website for contact information.

### **What Does the PTO Do for McGee Middle School?**

The PTO's financial goal is to provide McGee with equipment and opportunities that might otherwise not be available out of the regular school budget. All money raised by the PTO goes back to our school, directly benefiting all of our students and staff. Over the past five years, the PTO has provided over \$60,000 to pay for the following:

- Computer equipment to create a new, permanent computer lab
- Start up funds for the McGee school store
- Mobile computer lab equipment
- Science lab equipment (computers and probes)
- Courtyard umbrellas
- SMART Boards
- Cultural events
- DC t-shirts and awards
- Eighth grade party, promotion ceremony

Just as important as our financial support of McGee School is the PTO's non-financial goal, to assist McGee teachers, staff, and administrators in making McGee the BEST! The PTO hosts book fairs, partners with the Student Government to hold safe, "fun nights out" for students, and the PTO shows appreciation for teachers and staff, and assists the school in any way it can. Keep an eye out for emails during the course of the year to see how you can volunteer to help.

### **PTO Meetings:**

PTO meetings will be held monthly. For specific dates, please see the calendar or the PTO link on the McGee website.

## **PTO Events / Opportunities:**

Some PTO events held throughout the year may include Bill's Pizza Nights, Book Fairs, Student Fun Nights and dances. Some PTO-sponsored fundraising activities include Box Tops for Education, Yankee Candle and the Unfundraiser.

## **Communication:**

Good communication is key to the PTO's success, and the majority of our communication is via email. The PTO maintains an email list and sends monthly newsletters, periodic updates and information on PTO and school events, reminders, and volunteer requests. The PTO collects email addresses from the PTO membership roster, so be sure to include your email when you send in your membership form. Another option is to send your email address to the PTO's email account, mcgeeppto@gmail.com, and you will be added to the list.

## **SCHOOL COUNSELING SERVICES**

**Academic** – School counselors are committed to helping students improve their school performance, strengthen study skills, set goals and work towards them, and resolve any other concerns with classes.

**Personal/Social** – School counselors are available to help students through problems with peer relationships and personal matters. Students will gain a better understanding of themselves and the world around them.

**Career Experience** – School counselors help students begin the career exploration process by helping individuals increase awareness, discover the world of work, and understand the connection between school and work.

During the course of the school year, students will see their counselor in a variety of ways. Students will meet with a counselor individually at least once during the year to complete an individual planning card and get to know the counselor. Students may meet with school counselors in small groups, individually, or in classroom settings. Lessons students may encounter will include learning about important study skills, appreciating differences in others, and increasing self-awareness through career exploration.
